# *Your Senior Session*

## *Your Session Structure*

This is where the fun begins. We don't time limit our sessions but in general, sessions will last approximately an hour to an hour and a half. Multi location shoots will last longer. You are welcome to bring changes of clothing as we have a portable changing station if its needed. Typically our clients will usually have one full change and a couple of different looks for each change of clothing. If you have ideas we want to hear them. It's your shoot, so let's make it all about you!

## *Booking Your Session*

Once you have decided to work with us, booking your session could not be easier. Simply give us a call, text or send us an e-mail to request a date. Once a date has been selected, simply pay your session retainer fee to lock in your date. That's it! Now get ready to have a great time getting amazing portraits.

## *Your Session Fees*

A session fee is charged at the time of booking your session date to ensure your date is secure. We offer a couple of different session options to provide you with the most flexibility for your senior session.

~ One session, one location \$100

~ One session, two locations (within a 10-15 minute drive time) \$150

All session fees will be charged sales tax at the rate of 6.75% (warren county). Sessions shot at different locations outside of the 10-15 minute radius will be booked as separate sessions.

Locations outside of 35 mile radius from Waynesville may require a travel charge. Please ask us about your location of choice.

# Digital Image Packages

The digital image packages are for the clients who prefer to have more control over their investments. The digital packages include our standard resolution digital images, which are loosely cropped in 8x12 ratios for maximum flexibility and are sized at no less than 3000 pixels on the long edge. This package includes a print release for unlimited personal use printing up to 8x12 in size.

If you desire to print your digital files larger, please inquire for print options.

All digital image packages include a private online gallery for one year. From this gallery, clients may order prints up to 8x12 at a significant discount. All prints from the gallery are produced using the same labs we use for our normal print production to ensure you have the absolute best quality images. Since your portraits are printed from the same labs we print from, **we guarantee the quality of the prints when ordered through your gallery.** All digital image galleries also include a mobile application that will allow you to access and share your digital images for the entire year of access.

**All digital image packages also include a 75%** discount on all prints ordered through your online gallery.

All digital image packages include a 5x7 reference print of the images included.

While we maintain your gallery for a full year, it is highly recommended that you back up your images before your gallery expires.
